ACCOUNTING

The B.A. in Business Administration: Accounting at Paul Quinn College

The mission of the Paul Quinn College Business Administration Program is to advance society by creating new wealth and economic opportunity for all people. We cultivate principled leaders that advance our economy, improve lives, and strengthen our communities for future generations. We empower students to become leaders of tomorrow who are innovative, entrepreneurially-minded, and analytically and technologically skilled for a globally competitive market.

Students who concentrate in Accounting are specially trained in identifying and resolving key issues in accounting and financial management. In addition to the General Education Core Curriculum for Business (57 hours), students pursuing a concentration in management must complete the Business Core and the subsequent Major Requirements as follows:
