

PAUL QUINN

ENTREPRENEURSHIP

The B.A. in Business Administration: Entrepreneurship at Paul Quinn College

The mission of the Paul Quinn College Business Administration Program is to advance society by creating new wealth and economic opportunity for all people. We cultivate principled leaders that advance our economy, improve lives, and strengthen our communities for future generations. We empower students to become leaders of tomorrow who are innovative, entrepreneurially-minded, and analytically and technologically skilled for a globally competitive market.

Students who concentrate in Entrepreneurship are specially trained in the process of identifying and securing investors and capital resources for entrepreneurial endeavors, as well as advanced entrepreneurial thinking. In addition to the General Education Core Curriculum for Business, students pursuing a concentration in Entrepreneurship must complete the Business Core and the subsequent Major Requirements as follows*:

Additional requirements for graduating with any Paul Quinn degree include earning one PQCX certificate for each year a student is enrolled, formal reflection on experiential learning in the PQ Work Program, and a complete business plan. Opportunities to engage in campus-based pitch competitions and a yearly Entrepreneurship Week are also highlights of the concentration. Students who complete the Entrepreneurship concentration within the B.A. in Business Administration major go on to work in a variety of business contexts, including starting their own businesses.

**This outline is just a guide. The current PQC Academic Catalogue includes more details about these requirements, including additional substitution options, course descriptions, and prerequisites.*
