

SUMMER BRIDGE

Paul Quinn's Summer Bridge Program is designed to prepare new students for the rigors of college and life at the Quinnite Nation. Summer Bridge is a 6-week residential program during which students live in on-campus housing, are provided a full meal plan, and take three college courses to help ease their transition into college life. New students receive support and resources necessary to successfully navigate College, both inside and outside the classroom. Our program is comprised of thoughtfully curated courses, workshops, and social events all geared towards encouraging academic success, professional development, and community building between students, faculty, and staff.

PROGRAM REQUIREMENTS

All new incoming students are required to participate in Summer Bridge unless they intend to be a 100% online student. If you would like to attend in-person classes, live in Paul Quinn Housing, and/or participate in the Work Program, Summer Bridge is MANDATORY for you.

Summer Bridge will take place from Monday, June 12, 2023 to Friday, July 21, 2023.

Only students that have completed their Enrollment Agreement Form, submitted proof of their Meningitis Record and COVID-19 Vaccine and negative COVID-19 test will be allowed to attend Summer Bridge.

If you are 100% online, you **do not** have to participate in Summer Bridge, submit your Meningitis Record, COVID-19 Vaccine or negative COVID-19 test.
