# DEPARTMENT OF EDUCATION ANNOUNCEMENT

- On January 30, 2024 the Department of Education announced a significant delay in the distribution of FAFSA information to ALL colleges and universities.
- Originally anticipated in late January, this vital information is now expected to arrive March/April at the earliest.
- Without this information, no college or university can send an official financial aid offer letter to any prospective students as we do not have access to your specific Student Aid Index (SAI) number and estimated Pell Grant amount.
- Paul Quinn College has been in touch with members of the White House Administration and other key stakeholders to address this issue and advocate for an urgent resolution.

**6 THINGS STUDENTS NEED  
BEFORE THEY FILL OUT THE  
2024-2025 FAFSA FORM**

## YOUR STUDENTAID.GOV ACCOUNT

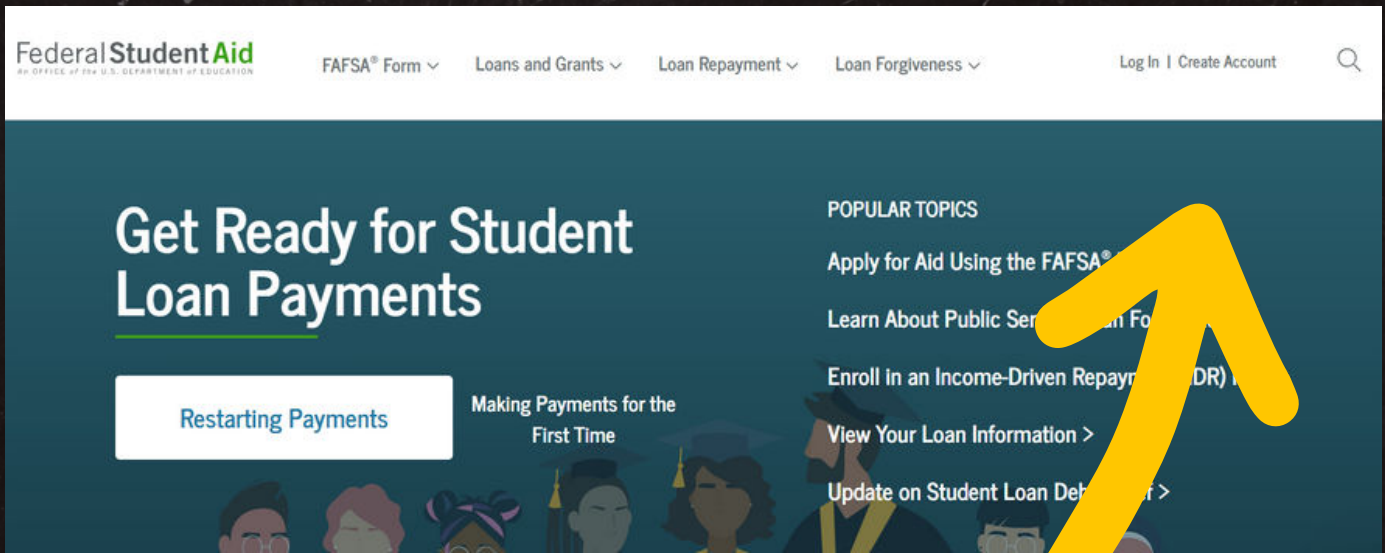

- You'll need to create a StudentAid.gov account to access and fill out the 2024-25 FAFSA form.
- Your contributors will each need their own StudentAid.gov account too. "Contributor" is a new term on the 2024-25 FAFSA form—it refers to anyone (you, your spouse, your biological or adoptive parent, or your parent's spouse) required to provide information on your FAFSA form.
- As a student, you'll be required to enter your Social Security number (SSN) to create a StudentAid.gov account unless you're a citizen of the Freely Associated States. However, beginning with the 2024-25 FAFSA form, your contributors who don't have an SSN can create a StudentAid.gov account to complete their section of your FAFSA form.

Tip: You can find your SSN on your Social Security card. If you don't have access to it or don't know where it is, you can [request a new or replacement Social Security card](#) from the Social Security Administration.

# CREATING YOUR ACCOUNT

SCAN TO ACCESS THE  
FAFSA HOME PAGE AT  
STUDENTAID.GOV

# WHAT IF I DON'T HAVE A SOCIAL SECURITY NUMBER?

**PAUL QUINN**

## STEP ONE:

Create your account at StudentAid.Gov as indicated in the previous slide, including the 1-4 knowledge-based verification questions via TransUnion.

## STEP TWO:

Upon completion of the Create Account process, you will receive a confirmation page with the results of your identity verification. If you failed the TransUnion process, you will be notified and must contact the Federal Student Aid Information Center (FSAIC) at 1-800-433-3243.

## STEP THREE:

Once you contact FSAIC, you will receive a case number and verification email with guidance on how to submit copies of unexpired acceptable documentation to verify your identity.

SCAN TO ACCESS THE ATTESTATION AND VALIDATION OF IDENTITY FORM, AVAILABLE IN ENGLISH AND SPANISH. IT WILL BE FOUND AT THE END OF THE DROP DOWN MENU.

## STEP FOUR:

You will then be required to submit one or a combination of your acceptable documentation from the list below and a signed attestation form to: [IDVerification@ed.gov](mailto:IDVerification@ed.gov)

### Acceptable Documents to Establish Your Identity:

- Provide one (1) of the following:
  - U.S. Driver's License
  - U.S. State/City Identification Card
  - Foreign Passport
- OR, provide one (1) set of the following:
  - Municipal Identification Cards + Utility Bill
  - Community ID + Utility Bill
  - Consular Identification Cards/Matricula Consular + Utility Bill

## STEP FIVE:

Your submitted documentation and signed attestation form will be reviewed to ensure it is acceptable and matches the account information provided during the Create Account process. If there is a successful match, you will receive an email indicating that your identity has been verified. You may then log in at StudentAid.gov and complete the FAFSA.

## YOUR CONTRIBUTOR INFORMATION

- When you fill out the FAFSA form, you'll answer questions that will determine who needs to be a contributor on your form.
- If your parents are divorced the parent who provided more financial support over the past 12 months; they will be identified as a contributor on your FAFSA form. But if both parents provided equal amounts of financial support, or if your parents don't support you financially at all, the parent with the greater income and assets will be identified as a contributor. View the image below to get a better understanding of what happens if your parents are divorced and provide you with equal financial support.
- If you are married (and not separated) and filed taxes jointly with your spouse, then you will report your spouse's information on the FAFSA form but they will not be identified as a contributor. But if you're married (and not separated) and didn't file taxes jointly, your spouse will be considered a contributor on your FAFSA form.

SCAN TO ACCESS THE "IS MY PARENT A CONTRIBUTOR" INFOGRAPHIC TO FIND OUT IF YOUR PARENT(S) WILL BE A CONTRIBUTOR ON YOUR FAFSA FORM.

**NOTE:** Being identified as a contributor does not make a family member responsible for paying education costs.

# Which Divorced Parent will be Identified as a Contributor on my FAFSA Form?

## SCENARIO:

Lindsey is a sophomore in college. Lindsey's parents are divorced, and each parent provides \$1,000 of financial support every month. Lindsey isn't sure which parent will be identified as a contributor on the FAFSA form.

## Parent A

Annual Income  
\$60,000

Current Value of Assets  
\$80,000

## Parent B

Annual Income  
\$120,000

Current Value of Assets  
\$100,000

BECAUSE PARENT B EARNS MORE INCOME AND HAS GREATER ASSETS, THEY WILL BE IDENTIFIED AS A CONTRIBUTOR ON LINDSEY'S FAFSA FORM.

# YOUR 2022 FEDERAL INCOME TAX RETURN

- You and your contributors must provide consent and approval to have your federal tax information transferred directly from the IRS into your FAFSA form. Providing consent and approval is mandatory, even if you or your contributors don't have an SSN, didn't file a tax return, or filed a tax return outside the U.S.
- If you or your contributors don't provide consent and approval to have your federal tax information transferred into the FAFSA® form, you won't be eligible for federal student aid.
- Even though your tax information will be transferred directly into the FAFSA form, you may still need your tax records to answer certain questions.
- The 2024-25 FAFSA form requires 2022 information. Do not use your 2023 tax information. We understand that for some families, the 2022 income doesn't accurately reflect your current financial situation. If you or a contributor on your form had a significant change in income since the 2022 tax year, you should still complete the FAFSA form with 2022 tax information. Then, contact the school where you plan to attend and explain and document the change in income. School officials can assess your situation and may adjust your FAFSA form if warranted.

# 4

PAUL QUINN

## RECORDS OF YOUR UNTAXED INCOME

- When completing the FAFSA form, you and your contributors may need to answer FAFSA questions about untaxed income, such as child support and interest income.

## RECORDS OF YOUR ASSETS

- The FAFSA form will ask you and your contributors questions about your assets, so make sure you have records of your savings and checking account balances, as well as the value of any investments, such as stocks, bonds, and real estate (excluding your primary residence). Report the current amounts of your assets as of the date you sign the FAFSA form, rather than reporting the 2022 tax year amounts.

# 5

# ADD PAUL QUINN COLLEGE TO THE 2024-25 FAFSA FORM

- Be sure to add Paul Quinn College to your FAFSA form, even if you haven't applied, been admitted, or are still deciding where you want to go.
- After your FAFSA form is processed, Paul Quinn's Office of Financial Aid, along with any other schools you list on the FAFSA form, will receive your FAFSA results electronically. We will use your FAFSA information to determine the types and amounts of financial aid you are eligible to receive.
- Once your eligibility for financial aid is determined, you will receive a Financial Aid Offer Letter via email.
- If you wait to add Paul Quinn, you could miss out on available financial aid!

**NOTE: YOU CAN ADD PAUL QUINN COLLEGE  
BY SEARCHING THE SCHOOL NAME OR  
USING OUR SCHOOL CODE: 003602**

## FINANCIAL AID DEFINED

### COST OF ATTENDANCE

This is an estimate of your total costs for the school year. All direct costs are outlined in the cost of attendance.

### DIRECT COSTS

These are the items that will be charged to you on your student account. These include tuition, fees, room and board (if you choose to live on campus), etc.

### FEDERAL DIRECT SUBSIDIZED LOAN

This is a student loan borrowed from the Department of Education. A subsidized loan does not accrue interest while you're enrolled at least half time.

### FEDERAL DIRECT UNSUBSIDIZED LOAN

This is a student loan borrowed from the Department of Education. An unsubsidized loan begins to accrue interest when it is disbursed, and continues to accrue interest while you're in school.

### GRANTS & SCHOLARSHIPS

Are based on merit, achievement, or other criteria. Federal grants are based on your FAFSA submission. Paul Quinn is proud to offer all students scholarships in the amount of \$6,000 - \$18,000 through their participation in the on-campus or corporate work program.

### PARENT PLUS LOAN

A credit-based federal loan borrowed by a parent to supplement a student's financial aid. Must be applied for every year. A parent may apply for your remaining balance instead of payment plans.

### PRIVATE ALTERNATIVE LOAN

A loan borrowed from a bank or private lender. These credit-based loans are available for both students and parents. Must be applied for every year.

### PAYMENT PLAN

Paul Quinn offers a payment plan which allows you to pay your balance over the course of the term. Payment plans are arranged directly with the Billing Office, not the Office of Financial Aid.

# PQC OFFER LETTER EXAMPLES

- Once Paul Quinn receives your FAFSA information, an offer letter will be created using the federal methodology to determine what federal &/or State Aid you may be eligible for.
- Keep in mind federal aid consists of grants such as the Pell Grant and Supplemental Equal Opportunity Grant (that are not required to be paid back), and federal loans (repayment starts 6 months after the student drops below 6 credits or leaves school, whether they graduate or not).
- The next slides are **examples** of different types of offer letters. Our goal is to ensure you are familiar and comfortable with the format so that you are better able to understand your individual offer letter.
- Everyone's offer letter is specific to the individual as it is tailored to you based on your 2024-2025 FAFSA.

## Sample Offer Letter #1
