WE

ME

DEAR QUINNITE,

Are you ready? Are you prepared to leave places better than you found them, to lead from wherever you are? Are you called to be a repairer of the breach (Isaiah 58: 9-12)? More importantly, are you someone who chooses to love something greater than yourself and to live a life without fear? If the answer to these questions is "yes" then we would like to welcome you to Paul Quinn College and offer you a place this fall in the Quinnite Nation!

By attending Paul Quinn, you are making a bold declaration about your future. You are proclaiming to the world that the status quo has no place in your dreams, or anyone else's. This collegiate experience will be invaluable to you as you prepare yourself to lead a life committed to achieving the Four L's of Quinnite Leadership:

LEAVE

**PLACES BETTER THAN
YOU FOUND THEM**

LEAD

**FROM WHEREVER
YOU ARE**

LIVE

**A LIFE THAT
MATTERS**

LOVE

**SOMETHING GREATER
THAN YOURSELF**

Your decision to attend Paul Quinn means you have answered the call of eternal leadership. It is your announcement to others that you will embrace the legacies of Mansa Musa and Kandake; Sun Tzu and Marcus Aurelius; Mary Church Terrell and Lucretia Mott; Booker T. Washington and W.E.B. DuBois; Malcolm X and Dr. Martin Luther King Jr.; and Nelson Mandela and Sonia Sotomayor. You have chosen to become a change agent whose voice will tell the stories of your era.

You now join the lineage of Bishop William Paul Quinn, the original Quinnite. Bishop Quinn was the fourth Bishop of the AME church and was there at the denomination's organization in 1816. He served as the Bishop of the Western States for nearly 30 years. He was a visionary and a leader. It is his path that you travel and from which you can never turn.

My future Quinnite, Paul Quinn, is a special place because of its spirit. The Quinnite spirit has been forged through over 150 years of adversity and an unwavering belief that tomorrow will always be better than today. It is into this tradition that you now step. Always be mindful that you stand here, not by yourself or on your own. You have joined a family in every sense of the word. From this day forward, your joys will be our joys. Your sorrows will be our sorrows. We will stand by you today, tomorrow, and forever. I am proud to be your President, and we are proud to now call you "Quinnite". We look forward to seeing you soon.

Sincerely,

Dr. Michael J. Sorrell, President

SUMMER BRIDGE

Paul Quinn's Summer Bridge Program is designed to prepare new students for the rigors of college and life at the Quinnite Nation. Summer Bridge is a six-week residential program during which students live in on-campus housing, are provided a full meal plan, and take three college courses to help ease their transition into college life. New students receive support and resources necessary to successfully navigate college, both inside and outside the classroom. PROGRAM REQUIREMENTS

All new incoming students are **required** to participate in Summer Bridge unless they intend to be a 100% online student. **If you would like to attend in-person classes, live in Paul Quinn Housing, and/or participate in the Work Program, Summer Bridge is MANDATORY for you.**

Summer Bridge 2026 will take place from Sunday, June 14, 2026 to Friday, July 24, 2026.

Only students that have completed their Commitment Form and submitted proof of their Meningitis Record will be allowed to participate in Summer Bridge. If you do not participate in Summer Bridge, you will not be able to live in Paul Quinn Housing, participate in the Work Program, participate in Athletics, and/or in-person activities.

If you are 100% online, you **do not** have to participate in Summer Bridge or submit your Meningitis Record.

ENROLLMENT CHECKLIST

CONGRATULATIONS ON BEING ADMITTED TO PAUL QUINN COLLEGE! THIS CHECKLIST IS HERE TO HELP GUIDE YOU ON ALL OF THE NEXT STEPS YOU SHOULD BE THINKING ABOUT. ALL NEW STUDENTS SHOULD COMPLETE THE FOLLOWING STEPS UPON NOTIFICATION OF ADMISSION:

COMPLETE A 2026-2027 FAFSA

One of the most important next steps is for you to complete a FAFSA and add Paul Quinn College (School Code: 00360200). Without a completed FAFSA that includes the Paul Quinn School Code, we will be unable to send you a Financial Aid Offer letter outlining your available aid, scholarships, and out-of-pocket costs.

REVIEW YOUR FINANCIAL AID AWARD LETTER

Once we receive your completed FAFSA information we will generate a Financial Aid Offer Letter for you to review. This letter will outline the cost-of-attendance and any aid/scholarships that you may be eligible for. Once you receive your offer letter, your Financial Aid Advisor will reach out to schedule a call to review your offer and answer any questions.

SUBMIT YOUR ONLINE COMMITMENT FORM & ENROLLMENT DEPOSIT

SCHEDULE YOUR VACCINES

If you want to be an in-person student and/or live in college housing, you will be required to submit vaccine documentation for Meningitis. Due to the state mandated 10-day incubation period, vaccines need to be taken a minimum of 10 days before in order to be able to meet the document submission deadline of Thursday, June 4, 2026. Vaccine record upload will occur through the CANVAS Check-in Course which students will be given access to after committing. Students that miss the Thursday, June 4, 2026 deadline will not be allowed to move into college housing due to the 10-day incubation period required for Meningitis.

COLLEGE HOUSING

Paul Quinn currently offers two residence hall options on campus: the Trammel S. Crow Living and Learning Center and the Loft Apartments of the Student Union Building. On-campus housing spaces are limited and will be designated according to priority status.

The Trammel S. Crow Living and Learning Center is our brand new GREEN-certified first-year student residence hall. Located in the heart of campus, the 30,000 square foot building is fully equipped for student use. Amenities include:

- Free on-site laundry facilities
- Free student parking conveniently located near the building
- Equipped kitchenette and common spaces
- Jack-and-Jill styled suites

The following students have priority status for on-campus housing assignments:

- New first time, full-time freshmen who are from outside of the Dallas area (determined by home address)
- Returning sophomores who are engaged in specific on-campus work program experiences, (e.g. the WE Over Me Farm) and specific student leaders.
- Other students, not included in the above categories may:
 - request to be considered for off-campus College housing once they have been approved and placed in a work program (WP) site;
 - attend as a 100% online student;
 - or commute from their local housing location.

The College is not able to guarantee on-campus housing to students who currently reside in the local Dallas area. Students in this category should consider taking commuting from their local home address or from their own independent housing location.

The Office of Student Experience staff can be reached as follows if additional information is needed:

- Mr. Phil Smith, Director of Housing
pssmith@pqc.edu

WORK PROGRAM:

Q: What general things do I need to know about the Urban Work College Program?

A: All students should be aware of the following information if they intend to participate in the College's Work Program, regardless of on-campus or corporate internship assignment:

- Students are required to clock in and clock out using our Paycor System. Don't worry, we will teach you how to use the system and send you reminders!
- Students must participate in at least 25 hours of Professional Development called P.LEX. per year.
- Students are evaluated and receive a grade for their performance in their Internship each semester. (The grade does not count in the student's GPA; however, students receive a Work College Transcript at the completion of the program.)
- WP students can live on-campus or in off-campus apartment housing. Housing is assigned based on WP internship location.
